CDP SCORE REPORT - CLIMATE CHANGE 2019

CATEGORY SCORES

If a company scored C or below, they will not have been scored for management or leadership points (the dark purple line represents this). Please download the ['CDP Scoring Introduction'](#) for more information.

CATEGORY SCORES BENCHMARKING

Scenario analysis No, but we anticipate doing so in the next two years

Each category score in the bar chart represents the progression within each scoring level. The Introduction and Verification categories have not been included for category score breakdown as they are not scored at Management and Leadership levels.

Scoring categories are groupings of questions and are subgroups of the 2019 questionnaire. Weightings are applied to scoring to reflect the relative importance of each category to progress climate stewardship. The weighting applied to each category varies across sectors to highlight the areas most important to environmental stewardship in specific sectors. To find out more about category weightings for each sector, please download the ['CDP Scoring Categories and Weighting'](#) documents.

*Please note, if your company has not been presented with questions C2.5 and C2.6 then the category score for Business Impact and Financial Planning will be displayed as zero. Please check your submitted response for further information.
